Please complete one of the following sections (1 or 2)

I confirm that I have ceased to be an employee and that I am now self-employed. I wish to apply for my insurance cover under BUSS(Q) to continue and I request that insurance premiums be deducted from my BUSS(Q) member's account at the end of each month.

The premiums will be deducted monthly from your account, a minimum account balance of $1,000 must be maintained at all times.

Note: You can apply, within 60 days from the end of the month in respect of which the last employer contribution was made for you, to have your insurance cover continue and you will be automatically covered. Except where you have changed from a Manual Worker to a Non-manual Worker, in that case you will need to also complete an "Application to Increase Insurance" form.

However, if you apply outside the 60 day period, you must submit an "Application to Increase Insurance" form which contains a personal health statement. This will be assessed by the Fund's insurer before cover is granted.
